Dear Class 10 students,

You are now about half-way through your 'O' Level examinations! Hang in there - you need only a few more days of serious oil-burning late-night studying and then it will be all over! You can have the biggest party of the year!

Those of you who are signing up to A levels at CGS must do so as soon as possible so that textbooks are ordered for your subject choices.

Good Luck for the remaining exams!

Your Class 10 Teachers
