Athletics Winners...

xx

Happy Birthday to...

Ismail for the 17th & Rabib for the 20th of February

Class News...

Dear Students,

Your January Mocks will give us all an indication of how well prepared you are for your 'A2' examinations, they will also make up your winter term marks. Those of you who received any grade/s below 'B' - take this as a warning and get ready to put in a greater effort for the next set of mocks in March.

During the month of February you will be signing up for your 'A2' Level exams for the May / June 2012 session. Keep a look out for dates and deadlines for sign-up payments for exam fees.

Your class 12 teachers.
