

CGS-Dhaka Newsletter

VOLUME 8, ISSUE 9

APRIL 2018

Dear Parents,

With the Winter Term PTM being held very recently, a whole lot of constructive feedback and observations have been exchanged from both ends, followed by the ongoing process of nudges and pushes that continue for an even better overall outcome from our students. The Summer Term, along with the promising heat, also brings with it focused study habits, especially for our 'O' Level candidates of classes 9 and 10 who shall soon be availing their study leave for the upcoming CIE exams.

Children's Day was celebrated on 17 March at both units of CGSD Primary and Secondary with our Community School students to further give everyone an added flavour of what it is like to be a child. As childhood connects to ice cream, crisps, candies and balloons, attempts were made to enhance that connection amidst activities and festivities galore. Our heartfelt thanks to all our students as well as adult sponsors who have not only been with CGSD CS, but have always given their valuable time as well in a selfless manner.

One of the most awaited events at CGS has always been the Pohela Boishakh charity carnival and this year, the spirit remains the very same as preparations are already underway to make the event a colourful one throughout the course of the day. Closer to date, details shall be further notified. With the spirit of Boishakh in the air just around the corner, a wish in advance for noboborsho to all at large.

RS & MUN UPDATES

A team recently returned from Singapore after attending the Nanyang Technological University Model United Nations Conference (NTU MUN) 2018. Pictured above L to R, Rubayet (11C), Maynur (11G), Ameera (11C), Unaiza (11G), Fareen (11C), Ruhbayna Miss, Ifaz (12C), Yasir (9K), Rafid (9K).

Two teams are also getting ready to travel to Thailand and Australia in April. A team of 12 combining CGS and CGSD participants will be travelling to Regent's School in Bangkok for a RS Conference themed 'Discover More'. While another team is heading to The Armidale School, Australia on the theme 'Humanity in Action'. The focus of the conference will be to reflect upon and embrace a better understanding of our environment, the communities we belong to and what role we all have in actively building the future.

Children's Day at CGSD Pictured above.

EKUSHEY COMMEMORATED

Our Ekushey martyrs were remembered by staff and students, as all came dressed in black and white mufti and laid wreaths on the Ekushey memorial. A Secondary group pictured above and Primary class group below.

CGSD CHARITY CARNIVAL 1425

CGSD will be celebrating the Bangla New Year on 12th April at the Gulshan 2, Road 83 campus. Students, parents, friends and faculties are welcome to join in the celebrations.

CAMBRIDGE CHECKPOINTS FOR CLASS 8

Cambridge Checkpoints are diagnostic tests that have been designed to assess students' progress in class 8. The tests, in the core areas of English, Mathematics and Science, give valuable feedback on students' strengths and weaknesses before they progress to the next stage of education.

These tests are marked in Cambridge and provide us with an external international benchmark for student performance. Each student receives a statement of achievement and a diagnostic feedback report, giving us detailed information and parents extra trust in the feedback they receive.

The tests are mandatory at CGS/CGSD and Class 8 students will be appearing for their Checkpoints in late April. Feedback received will be used to tailor class groups and individual study plans for maximum effectiveness.

Admission Open at

Chittagong Grammar School Dhaka

2018 / 19

Admission open for classes Playgroup to 9

Register at the school offices:

For Playgroup to class 6,
Gulshan 1, Road 24 Campus:
Call: 02-9858320
Email: cgs.dhk2@gmail.com

For classes 6 to 9,
